## Bangor's finest commercial and industrial property

**THE CITY OF BANGOR** invites you to locate your business in one of its three high visibility, city owned and operated Business & Industrial Parks. Bangor is the economic center for all of central, northern and Downeast Maine and offers a full array of transportation options to access the powerful Northeastern corridor. Add in Bangor's productive, educated workforce, top-notch telecommunications system and a quality of life that earned Bangor the distinction of best place to live among small metro areas

in *Places Rated Almanac*, and you have a recipe for business success.

In fact, Bangor was rated one of the top ten US small city business locations by *World Trade* magazine and as one of a "Dazzling Dozen" pockets of prosperity by *Business Week*. Bangor's Economic Development staff is customer friendly and will help you locate the resources you need so that your business may also enjoy prosperity in Bangor.
